

Name _____ Date _____

T. rex and the Crater of Doom by Walter Alvarez

Author _____

of pages _____

Explain the author's purpose for writing this book.

Point of view-Who is telling the story, and how is this point of view effective?
Would the book be more effective written from another point of view? Explain.

Write a summary of this book.

The theory that a meteor or comet impact caused the extinction of many animals 65 million years ago is now widely accepted by many scientists. Do you now, after reading this book, agree or disagree with this theory? Explain why you think this.

Would you recommend this book to others? Why or why not? What, if anything, would you change about it? Give a reason for possible changes.
